Have a report or research paper to do? Need to fix your car? Want to explore your family tree? Or look up information on a company? Then [lmlonline.org](http://lmlonline.org) and [Live-brary.com](http://Live-brary.com) is where you want to be!

Your library has all this information and more, accessible at your library or from the comfort of your own home<sup>1</sup>.

**Explore some of our databases<sup>2</sup>:**

**Articles - Magazines & Journals:** Browse journals and popular magazines.

**Arts & Humanities:** Databases in this section are good for art, music, religion and philosophical research. This section also contains *Academic Search Premiere* and *MasterFile Premiere*, which are excellent resources for general knowledge and/or research on all topics.

**Biography & Genealogy:** Discover your family tree or find information on famous persons.

**Books & Reading:** Find full-text poems, short stories and essays; book reviews; reading lists; book summaries; bibliographies; and literary criticism.

**Business & Law:** Look up business reports and search for law and business articles.

**Car and Small Engine Repairs:** Repair, price, and get recall information about your car with the *Auto Repair Reference Center*.

<sup>1</sup> Valid library card required

<sup>2</sup> Live-brary is provided by SCLS.

*Mitchell on Demand* and *Small Engine Repair* is also available for in-library use only.

**Consumer Information:** Latest product information, reviews and recalls.

**Education:** Articles and curriculum information for teachers and students. Includes the *ERIC* database.

**Encyclopedia:** Search several encyclopedias at once with *Grolier Online* or search in Spanish using *Bases de Datos!*

**Free downloads:** Download e-books and audio books directly to your computer or mp3 device with *Live-brary Downloads*.

**Health & Medicine:** Research mental and physical illness and get information on healthy living.

**History:** American and international history for students, teachers and the general public.

**Homework & Kids:** Homework help and resources for students K-12 in both English and Spanish. Databases include *Points of View* & *Famous First Facts*.

**Jobs & Careers:** Explore a new career with *Career Cruising* or get practice civil service tests with *Learning Express*, an LML exclusive!

**Language Learning:** Traveling outside of the country? Want to brush-up on your Italian? Try *Mango Languages*.

**Newspapers:** Provides full-text access to Newsday, New York Times and other major newspapers from America and abroad.

**Science & Technology:** Provides both computer and science information.
